Agilent
Dako

Lab workflow presentation

Saturday, September 26 | 11:15 AM and 2:45 PM

Sunday, September 27 | 12:00 PM

Turn specimen tracking data into actionable insights. Learn how Agilent's Pathfinder Program combines LIS, specimen tracking, and Dako Omnis data with Power BI analytics to uncover workflow bottlenecks, improve turnaround time, and drive smarter laboratory decisions.

See innovation in action

Connect with Agilent experts for live demonstrations of our signature Dako Omnis Family, the new S540MD Slide Scanner System and the Magnis NGS Prep System.
